Getting started and important notes:

Set your exam date. The examiner will be set by the organization. It is important that the teacher checks her/his work with the organization before completing his/her exam and that all work is according to the videos and written syllabus.

It is advisable to check your work with a registered A-Arts Teacher. Teachers have now the opportunity to study from their own homes or studios. Teachers can start teaching dancers or open their own studios while completing this exam.

Teachers are more than welcome to use a dancer to complete their exam.

Travel & Accommodation cost IS NOT INCLUDED for examiner AND must be paid by the applicant (depending on province/location) when completing their exam.

Once the certificate is completed or the applicant teach the syllabus there will be an annual active member affiliation fee of R750

To stay an active member and receive all updates of the syllabus (free of charge) teacher must enter pupils for exams yearly (please check requirements of when entering exams).

Fees are not refundable

A Copyright Dance Agreement will accompany your application form. Videos, Music and the Written Syllabus may not be distributed, copied or spread by the applicant for any reason and remains the property of the A-Arts Organization.
