Representing South Africa at the IDF World Dance Championships

Representing your country on an international stage is both a tremendous honour and a significant responsibility. This opportunity recognises not only your talent and dedication but also your commitment, perseverance, and passion for the performing arts.

As a member of Team South Africa, you will have the privilege of:

- Representing **South Africa at the IDF World Dance Championships**.
- Being part of an elite national team of dancers from across the country.
- Building lifelong friendships and unforgettable memories.
- Growing as both an artist and an ambassador for South Africa.
- Sharing your gifts and passion for dance on one of the world's biggest stages.

We believe that every dancer's story matters, and your journey has led you to this incredible opportunity. The road ahead will require hard work, dedication, teamwork, and commitment, but it will also be filled with moments that will shape your future and inspire others.

We are honoured to have you join us on this journey and look forward to seeing you wear the South African colours with pride, integrity, and excellence.

IDF is more than just a dance federation. It's a global community uniting dance culture enthusiasts, professionals, and emerging talents. We create a space where dance is not just movement but an idea, a form of self-expression, and a way of life.

We believe that dance has no boundaries – it transcends borders, unites people, and shapes the future. Through competitions such as A-Arts & Rising to Fame, training, and events, we promote innovation, collaboration, and the growth of the art of dance.

We are truly excited about this new opportunity and taking hands with IDF.

Dates, Country and Venue will follow for 2028 qualifying round!
